

I enjoy acting out in role play and writing my own stories.

Newton Hall Library is a fun place to go!!! We enjoyed choosing our own books and reading them at story time.

English

It is our intent at Newton Hall Infants' School to provide children with a high quality education in English that will teach pupils the stepping stones to be able to speak, read and write fluently so that they can communicate their ideas and emotions effectively. With regards to Reading, Phonics will be taught daily throughout school. We intend to encourage children to read widely across fiction and non-fiction to develop knowledge of themselves and the world they live, to develop a love for reading. With regards to writing, we intend for children to be able to plan, revise and evaluate their own writing. We intend to deliver an exciting English Curriculum which enables children's written and oral communication and creativity.
