At Newton Hall Infants' School we want to provide a range of experiences which add excitement and enjoyment to the children's learning and personal development. The Headteacher and Governing Body aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities. All of our pupils should have equal opportunity to benefit from such activities.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Statement:

The policy complies with the requirements of the Education Act 1996. Where 'parent' is referred to this will include adults with a responsibility for the pupil.

We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget.

Legislation – Educational During School Hours

The DfE in its guidance to School Governors states that "education provided during school hours must be free". The definition of "education" includes materials, equipment and transport provided in school hours by school to carry pupils between the school and an activity." It goes on to advise that "although schools cannot charge for school time activities, they still invite parents and others to make voluntary contributions (in cash or in kind)"

When additional costs are incurred by Newton Hall Infants' School to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However, no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

Education Outside School Hours

The DfE in its guidance to School Governors states that "Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the national curriculum or religious education". No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside school hours if parents agree to pay. The Education Reform Act 1988 described activities, which can be charged for as "optional extras".

Remissions

To ensure that access to activities reflects intentions, Newton Hall Infants' School will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them and is based on an understanding of the relationship between low income, entitlement and access. This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Headteacher in consultation with the Chair of Governors.

Data Protection of pupils and families.

Teachers will ensure that these children are not publicly identified and stigmatised.

VOLUNTARY CONTRIBUTIONS

In order to finance such visits and activities, the school will invite parents to make a voluntary contribution, of approximately the average cost per child, towards the total costs of such visits and activities. No child will be excluded from such activities planned to take place during educational time simply because parents have not made a contribution toward the costs. However, because of limited resources, the school reserves the right to cancel any activity for which it feels unable to bear the discrepancy between contributions and costs. We will tell parents at the outset if the activity cannot be funded without voluntary contributions. We will give as much notice as possible of any activities which will require voluntary contributions.

The cost of visits to the school by theatre and other educational groups to the school, will be borne as far as possible by the school's finances but for all other visits and activities which are not wholly within school hours and planned as an integral part of the curriculum for all children, the school adopts the Local Authorities Policies for Charging and Remission.

Charges

The Governing Body reserves the right to make a charge for the activities and items detailed below:

A charge will be made at lunchtime care where this is in excess of the 15 or 30 hour entitlement.

Ingredients or Materials for Practical Subjects

- Parents are encouraged to provide ingredients, materials, etc. needed for practical subjects such as Technology. The Governing Body may charge for, at cost or less, or require the supply of, ingredients and materials if parents have indicated, in advance, their wish to own the finished product.

Lost School Equipment, Books etc

- Parents will be expected to replace or pay for the cost of lost items of School property.

Private fees

- Any report or data that is requested on a child for the purpose of a third party private assessment requested by a parent (eg. Mid-year pupil progress report for solicitors, private psychologist reports or solicitor reports) will be charged at an agreed rate by the Head Teacher in discussion with the Chair or Vice-chair of Governors. This rate will include a cost for staff time to sort and collate the relevant information, as well as photocopying charges (not less than 10p per sheet) and postage.

This policy will be reviewed annually by the Finance and Premises Committee of the Governing Body

The Governing Body may, from time to time, amend the categories of activity for which a charge may be made.

Nothing in this policy statement precludes the Governing Body from inviting parents to make a voluntary contribution towards the cost of providing education for pupils.
