

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2025 - 2026

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Service Level Agreement with the Durham and Chester-Le-Street School Sports Partnership Staff CPD	All children have experienced a variety of sport festivals throughout the year which has helped them to develop confidence, resilience and encounter new opportunities. They have also developed new skills following specific coaching sessions such as learning how to ride a bike through the balance bike sessions. Staff have also gained confidence in different areas from experienced coaches delivering sessions within curriculum time.	A highlight for the children in Reception / Year 1 and Year 2 performing on the stage at the Gala theatre for the dance festival and experiencing performing to a large audience.
Complete PE Subscription Complete PE	Staff continue to have access to updated, sequential and progressive PE planning to support high quality delivery of PE. An audit indicates staff feel confident delivering the scheme.	
Hoopstarz x 2	Children all experienced Hoopstarz sessions which further developed during playtimes.	Session booked for next academic year.
Skiping School	Children all experienced skipping sessions	Children used their learnt skills at playtime sessions.

Whole School trip Forest/Nicky + bus	which further developed during playtimes. Children had the opportunity to experience outdoor learning activities such as den building, orienteering and bushcraft. The activities helped promote physical activity and ignited interest in developing outdoor learning.	
Equipment purchased to encourage physical activity at playtimes.	Children are more physically active, creative and engaged at playtimes as there are more opportunities for them to participate in and more equipment to play with.	Replenish when needed.
Replenishment of general PE equipment as identified in audit eg balls, cones, Gymnastics equipment	Resources are readily available to enable delivery of HQ lessons.	Monitor and replenish where needed.
Transport to attend activities provided by the Sports Partnership	Children participated in a range of activities provided
